COMPETITION RULES, POLICIES, AND REGULATIONS - CONTINUED

Event Registration – Starting Times and Maximum Number of Events

Participants in the 2026 US Nationals may not enter two events that are scheduled to start at the same time.

The Maximum Number of Events that a Participant in the 2026 US Nationals may register for is ten (10).

The Maximum Number of Events that a Participant in the 2026 US Nationals may register for on a single day is three (3).

Event Scheduling

Events are not guaranteed to be completed on the same day that they begin, and USATT suggests that participants plan accordingly. No refunds will be given for early departure. Each event will begin on the date/time designated on the form, and it will continue at regular intervals until a champion has been determined. An entrant's signature on the tournament entry form acknowledges that the dates are acceptable for participation in the registered events regardless of any holidays, federal, state, local, religious, or foreign. All events will be completed by the conclusion of tournament action, which is expected to be in the late afternoon on July 9, 2026.

Any event may be cancelled if the event contains fewer than four players or pairs, as appropriate. (For Event Fee Participants, the cost of an event cancelled for lack of appropriate numbers of participants will be refunded.)

Draws will be available 24 hours prior to the start of each event. For example, for an event that starts on July 4, at 10am, the draw will be available on July 3 at 10am

Adding / Dropping Events

For Participants electing the Early Bird Flat Fee Entry Structure, events may be added or dropped up to May 15, 2026. After this date, no additional events may be added to your registration, events may only be dropped.

For Participants electing the Early Bird Event Fee Pricing Structure, the participant may substitute one event already purchased for another up to May 31, 2026; such participant may also purchase (for \$80.00) and add additional event(s) up to May 15, 2026.

Scheduling Conflicts

All Participants must report conflicts at least 30 minutes prior to the conflict scheduled time. Participants are responsible for notifying the Control Desk. Conflicts will be resolved by the Conflict Resolution Station at the Control Desk. Players must follow the direction of the USATT tournament committee's decision regarding the sequence of play in the resolution of Conflicts.

Please note that your timely check-in helps us to keep the tournament running as scheduled. The earlier that you report a conflict of which you are aware, the more likely the Tournament will run on time. Timely check-in and conflict filing allows that some matches may be played EARLY to avoid the delays that arise with unavoidable conflicts.

Mandatory Match Check-In

For Round Robin match play, players **must register** with the Control desk at least **30 minutes before** their group is scheduled to start playing. Immediately after registering with the Control Desk, the player must go to his or her assigned table and be prepared to begin play. Even if you are not the first match, you must be ready to play ten minutes before the scheduled match. Failure to comply with this requirement may result in default.

For Single Elimination matches, players **must register** with the Control desk at least **30 minutes before** their assigned match start time. Immediately after registering with the Control Desk, the player must then go to his or her assigned table and be prepared to begin play.

The only exception is documented conflict resolution sheet prepared in advance by the Conflict Resolution Station (CRS) at the Control Desk.

Defaults

An Athlete who defaults in any event at the 2026 US Nationals is considered to have defaulted from that event completely, fully and finally. A default in an event may also be declared to be a full and final withdrawal from the remainder of the Tournament as determined by the Tournament Referee (TR) or his/her designee (example: Deputy Referee). The TR will base that decision upon the nature and circumstances of the default as they pertain to match play and the rules of the sport. All decisions by the TR regarding defaults shall be final without provision for appeal.

Any other issue unrelated to match play or the rules of the sport that might necessitate a default from the tournament will be determined at the sole discretion of the Tournament Director (TD) or his/her designee (example: Deputy Tournament Director).

Ratings events will have Round Robin Groups of 3-4 players dependent upon actual number of registrations in each event as determined by the organizing committee and Tournament Director. One winner per Round Robin Group will advance to a second round Single Elimination stage. SOME events will be designated as single elimination from the start. If two ratings events with the same start time are entered, the Tournament Committee will choose on behalf of the player which event is to be played.

Unrated Players

Players may enter any event for which they are otherwise eligible. Players who are unrated on the Ratings Cut-Off Date (May 15, 2026) will not advance to the single elimination stage of rating-restricted RR events, unless they acquire an eligible rating prior to June 16, 2026. Players who enter a rating-restricted event without a rating and who acquire a rating between the Ratings Cutoff Date (May 15, 2026) and the Seeding Cutoff Date (June 16, 2026) will be permitted to advance provided their new rating meets the event's requirements. For all Hardbat and Sandpaper events, round robin groups will be formed in groups of up to five (5) players per group. As in all events, a question of racket legality is the decision of the Tournament Referee. Rackets complying with all requirements of the rules for Hardbat rackets shall be legal. This means that participants must use an all-wood blade with short pimples-up rubber and no sponge. These events do not count for USATT ratings points. Both eligibility and seeding for the Hardbat events will be determined by the player's Hardbat rating at the seeding cutoff date: June 16, 2026. All matches will be the best of 3 games to 21.
